Information Disclosure Statement

Examiner Sines:

The reference cited on attached forms is being provided for consideration during examination of the above-identified patent application. It is respectfully requested that all cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue from this application.

No inference should be made that the information and references cited hereby are "prior art" as defined in 35 USC §§ 102 or 103, and the Applicant reserves the right to establish that any of the cited references are not "prior art." No representation is being made that a search has been conducted, or that this statement encompasses all possible relevant information.

The Applicant believes that no fee is required for submission of this statement, as it is being submitted prior to the mailing date of the first Office Action. However, any necessary charges are hereby authorized from deposit account 50-3820.

Should any questions arise, a telephone call to the Applicant's representative, Clifford Perry, is invited.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Clifford B. Perry", with a stylized, flowing script.
